

**First announcement of Additional Training in the Specialist Field of
Cochlear Implant Mapping and Rehabilitation in 2014**

Presented by: Tygerberg Hospital-University of Stellenbosch Cochlear Implant Unit in the Faculty of Medical and Health Sciences, Tygerberg Campus.

We are presenting the Additional Training Course in the Specialist field of Cochlear Implantation again in 2014. The course will be split into two contact periods. The first contact period will focus on academic content and practical application thereof which is scheduled for the 24th February until the 7th March 2014. The second contact period will include further MAPping, case discussions and the assessment for the Certificate of Competence taking place from the 24th until the 28th March 2014. The assessment includes an oral and a written examination. During the interval between the two contact periods you will be required to perform regular MAPping yourself under the supervision of a licensed audiologist.

To apply you need to submit the following information:

1. Your detailed CV
2. Details of your clinical experience in the diagnosis and management of hearing-impaired children and adults.
3. Details of your clinical experience in cochlear implantation
4. Your expected role in your cochlear implant program
5. Your expectations of the content of the course.

Please send the above information by the 25th October 2013 to:

Mrs Lida Müller
Course coordinator
Cochlear Implant Unit
Hearing and Speech Clinic, Tygerberg Hospital,
Private Bag X3, Tygerberg 7505
Tel/fax: 021 938 5080
Email: amum@sun.ac.za

To qualify for the course you must:

1. Be directly associated with an implant program
2. Have observed a licensed audiologist in a cochlear implant program for at least 6 sessions of MAPping, one interview and counseling session and have observed a session of hearing and speech perception testing.

Tuition fee: R6 000.00 payable to the University of Stellenbosch before registration.

A more detailed program and further information will be provided once your participation is confirmed.
